The Honorable Tom Cole
Chairman
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Davidson Real-Time Crime Center (RTCC) in Fiscal Year 2027. The entity to receive funding for this project is the Town of Davidson, located at 216 S. Main Street, Davidson, NC 28036.

The funding would be used to establish a real-time crime center (RTCC). The RTCC would strengthen situational awareness by integrating live camera feeds, dispatch data, and records systems into a centralized monitoring hub. This capability allows supervisors and analysts to support officers in the field with timely intelligence, improve response coordination during critical incidents, and enhance interagency collaboration. This surveillance camera system provides real-time alerts on stolen or suspect vehicles and creates a searchable database to accelerate investigations. This technology acts as both a deterrent and a force multiplier, enabling officers to identify leads quickly, solve crimes more efficiently, and strategically deploy patrol resources based on data-driven insights.

The project is an appropriate use of taxpayer funds because these investments create a scalable, technology-driven public safety infrastructure that maximizes limited personnel resources, improves response times, strengthens investigative outcomes, and builds public confidence in local law enforcement.

The project has a Federal nexus because the funding provided is for purposes described in section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Tim Moore".
