The Honorable Tom Cole  
Chairman  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Bessemer City Fire Station Construction project in Fiscal Year 2027.

The entity to receive funding for this project is City of Bessemer City, located at 132 W. Virginia Ave., Bessemer City, North Carolina, 28016.

The funding would be used to construct a new fire station on property along Virginia Avenue or on City-owned property. The project responds to significant community growth and increasing service demands. Existing facilities are undersized and no longer meet operational, space, or emergency response needs.

The project is an appropriate use of taxpayer funds because this is a key factor in business recruitment, insurance ratings, and long-term investment.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Tim Moore".
