The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Cornelius Police Department Radio and Forensic Computer Modernization in Fiscal Year 2026.

The entity to receive funding for this project is the City of Cornelius Police Department, located at 21440 Catawba Avenue, No. 8527, Cornelius, NC, 28031.

The funding would be used to purchase 35 new handheld radios, 2 new console radios, and a forensic computer for the Cornelius Police Department. The department relies on fully functional equipment to serve the community efficiently. The project is an appropriate use of taxpayer funds because it enhances law enforcement communication infrastructure, directly supporting public safety operations. Updating the Cornelius Police Department's communication equipment is critical for officer and community safety.

The project has a Federal nexus because the funding provided is for purposes described in section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Tim Moore
Member of Congress
