The Honorable Tom Cole  
Chairman  
Committee on Appropriations  
U.S. House of Representatives

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the East Ranlo Waterline Replacements project in Fiscal Year 2027. The entity receiving funding for this project is the Town of Ranlo, located at 1624 Spencer Mountain Road, Gastonia, North Carolina, 28054.

The funding would be used to replace approximately 5,300 feet of undersized, deteriorated, and aging galvanized and cast iron water lines with new 6-inch and 8-inch waterlines to restore reliable service. The project is an appropriate use of taxpayer funds because existing undersized, 50+ year old water lines present a public safety concern and are prone to breaks, leaks, and internal corrosion.

This project has a federal nexus because the funding provided is for the purposes authorized by 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Tim Moore".
