Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Duhart Creek Sewer Pump Station and Force Main Upgrade Phase 1 Project in Fiscal Year 2026. The entity receiving funding for this project is the City of Gastonia located at 150 S. York Street, Gastonia, North Carolina, 28052. The funding would be used for upgrading the city's aging sewer system. The project is an appropriate use of taxpayer funds because it will provide citizens with a new sewer system that is less inclined to overflow.

This project has a federal nexus because the funding provided is for the purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Tim Moore".
