The Honorable Tom Cole  
Chairman  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the North Carolina State Bureau of Investigation Robot Bomb Dogs project in Fiscal Year 2026.

The entity to receive funding for this project is the North Carolina State Bureau of Investigation (NCSBI), located at 3320 Garner Road, Raleigh, North Carolina, 27610.

The funding would be used to purchase three robots to be housed in the NCSBI Bomb Squad. The project is an appropriate use of taxpayer funds because the addition of such robots will significantly increase the safety of bomb technicians, law enforcement officers, and the public when dealing with dangerous explosive devices and violent criminals.

The project has a federal nexus because the funding provided is for purposes described in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Tim Moore". The signature is stylized with a large, flowing "T" and "M".
