U.S. House of Representatives

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Gastonia Waterline Improvements in Fiscal Year 2027. The entity receiving funding for this project is the City of Gastonia, located at 181 S. South Street, Gastonia, North Carolina, 28052.

The funding would be used to abandon several existing high-risk waterlines within the Brooklyn Neighborhood and replace approximately 4,300 feet of an aged 10-inch cast iron waterline with a new and more dependable 12-inch ductile iron waterline in eastern Gastonia. The project is an appropriate use of taxpayer funds because it will update an aging water system to promote the health, safety, and general welfare of the community.

This project has a federal nexus because the funding provided is for the purposes authorized by 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Tim Moore".
