The Honorable Tom Cole
Chairman
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Grover Volunteer Fire Station Construction project in Fiscal Year 2027.

The entity to receive funding for this project is Grover Volunteer Fire Department, located at 206 South Main Street, Grover, North Carolina, 28073.

The funding would be used to construct a new volunteer fire station. The current station was built in 1973. The project is an appropriate use of taxpayer funds because it will improve response times, operational efficiency, and readiness for structure fires, hazardous materials incidents, severe weather, and industrial emergencies.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Tim Moore".
