The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Kings Mountain Water Treatment and Infrastructure Improvements Project in Fiscal Year 2027. The entity receiving funding for this project is the City of Kings Mountain, located at 101 W Gold Street, Kings Mountain, NC 28086.

The funding would be used for SCADA Controls, Centrifuge Sludge Processing, Raw Water Contact Chamber, Replacement Pumps, Pressure Reducing Valves, Auto Flushing Devices, and Associated Engineering Design, Permitting, and Installation Costs. The project is an appropriate use of taxpayer funds because these improvements will enhance the City's ability to maintain safe and dependable water service while supporting continued economic activity in our region.

This project has a federal nexus because the funding provided is for the purposes authorized by 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Tim Moore".
