The Honorable Tom Cole  
Chairman  
Committee on Appropriations  
U.S. House of Representatives

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Mount Holly Downtown Water Distribution Project in Fiscal Year 2027. The entity receiving funding for this project is the City of Mount Holly, located at 400 E Central Avenue, Mount Holly, North Carolina, 28120.

The funding would be used to undertake a downtown water system rehabilitation project, which would include constructing a 12-inch water line along Glendale Avenue from Hill Street to Hawthorne Street and replacing the 6-inch water line on Woodlawn Avenue and Main Street with an 8-inch waterline. The project is an appropriate use of taxpayer funds because it will update an aging water system to promote the health, safety, and general welfare of the community.

This project has a federal nexus because the funding provided is for the purposes authorized by 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Tim Moore".
