The Honorable Tom Cole
Chairman
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Peniel Road Waterline Project in Fiscal Year 2027. The entity receiving funding for this project is Polk County, located at 40 Courthouse Street, Columbus, North Carolina, 28722.

The funding would be used for a 6.610-mile water line extension, bypassing a closed landfill site and mitigating the risk of groundwater contamination. The project is an appropriate use of taxpayer funds because it will provide a permanent solution to long-term environmental risks while fostering regional economic and social stability.

This project has a federal nexus because the funding provided is for the purposes authorized by 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Tim Moore".
